

Costruzioni Elettromeccaniche

TO WHOM IT MAY CONCERN

Dear Sir/Madam,

we take pleasure to inform you, that our company, MACE Power S.r.l. of Napoli/Italy, has appointed INPEC Engineering GmbH, Schönleinstr. 56 in 45131 Essen, Germany, represented by Mr. Teodor Garabet, based on a contractual agreement to represent our interests **in different countries as a exclusive representative consultant.**

In this capacity Mr. Garabet and his team are authorized to contact you, to collect, relay and return all technical, commercial, financial, legal and administrative information pertinent to our products such as **oil immersed distribution and power transformers** and projects and maintain the communication with our office.

INPEC Engineering GmbH is managed by a highly professional team in Essen with an experience of more than 30 years in different countries for industry and energy.

We are convinced that the involvement of INPEC Engineering GmbH will be *to* the benefit of all parties.

We thank you in advance for your acceptance.
